

HARROGATE BOWLING CLUB

CLUB COMPETITIONS OVERVIEW 2026

FINALS WEEKEND

The finals of the 2026 Club Competitions will be played on Club Finals weekend which is scheduled for Saturday 5th and Sunday 6th September (reserve day Monday 7th September).

It is understood that all competition entrants are aware of these dates and are available to play if successful in reaching finals.

RULES

Competition Rules are available on the club noticeboard and on this website.

ENROLMENT

Entry forms will be provided by email at the start of the season as well as sign-up sheets in the clubhouse.

Closing date for club competition entries is 25th April with competition draws taking place on 30th April at 4:30 p.m. immediately after the first club afternoon of the season.

Any HBC members who are unfamiliar with the competitions or would like some support in choosing which to enter are invited to contact the Competitions Secretary (Mark Peatman) or the Ladies/Gents Captain (Ann O'Halloran/Gary Preston).

To facilitate this, we will be holding two enrolment sessions: Thursday 9th April @ 1.30 p.m and Saturday 11th April @ 1.30 p.m. to explain more clearly the different competitions and leagues but also to encourage members to sign up for these and participate.

Closing date for sign-up to internal and external leagues is 13th April 2026.

An overview of the HBC Club Competitions leading to club finals weekend is given below, hopefully this is clear but if you have any questions please contact Mark, Ann or Gary.

Other one day events and leagues are played throughout the season and information on these is provided below after the competitions section. The Bowling Group encourages all club members who have either not entered club competitions in recent years or have never entered to consider doing so.

Make 2026 the year you will have a go in at least one competition.

The Finals Weekend produces winners and runners up, but only because many other bowlers have entered and lost their matches. Have a go and enjoy the early rounds or more of the often-long-established competitions, some of them named after and in memory of key members of our Harrogate and Yorkshire bowling history.

Any questions please contact Mark Peatman, Ann O'Halloran or Gary Preston.
